# Need a Hmong Homeless Poster?

## Educational Rights of Homeless Children and Youth

Each school district is required to identify, immediately enroll, and educate homeless students. The Wisconsin Department of Public Instruction has developed an 12" x 19" educational rights poster regarding the McKinney-Vento Homeless Education Assistance Act translated into the Hmong language (includes an English translation). The poster provides helpful information to Hmong parents and unaccompanied youth. Both school districts and community social service agencies that work with the homeless will find this information helpful. This four color poster is available to purchase in sets of ten for \$10.00 per set (plus shipping and handling).
